To achieve this, a small step of efforts are required and requested from you all. Vapi Branch is on a drive to update its existing students database. May i request all the students appearing in any stream of examination of ICAI (including CPT enrolled students) to just take a minute to fill up your database on the following link :

Please note that even Existing Students who are getting the messages also should fill the information afresh as we are moving entirely from old data base to a new one shortly. Duplicate entries are welcome.

Expecting a huge response, to enable us to serve you the best.
